

What is a Good Neighbours Scheme?

Established and run by local people to provide neighbourly support to others. Each scheme has a different offer as they are all independently run.

Volunteers are free to give as much or as little time as they like helping others with practical tasks like driving or shopping or providing emotional support (befriending).

All the scheme's services are free unless expenses such as petrol or parking have been incurred. Donations for running costs are welcomed.

The schemes mostly work through telephone contact. Coordinators receive calls for help and allocate tasks to appropriate volunteers.

The aim is to support neighbours to maintain a good quality of life, reduce isolation and build a stronger community.

Want to set up your own scheme or link your existing community group to the network?

We can help! Free advice, training and support is available as well as funding to help with start up costs. Please contact us for more information!

**Northamptonshire ACRE
(Action with Communities in Rural England).**

We are a countywide, independent charitable organization working with rural communities in Northamptonshire to improve their quality of life, especially the disadvantaged.
